**RICH  
GRANDEUR**

*Their patterns have  
been designed to the  
utmost detail to rival  
the finest - perfect to  
the smallest degree.  
Others consider them  
trifles, judging from their  
appearance. If only  
they realize that these  
diamonds do truly exist,  
they marvel upon the  
richness of existence.  
And the richness of the  
threads that adorn them.*

### OPULENT CHARM

*There lived a king who thought he had all the riches of the land. Yet before he saw these diamonds bedecked in garments sublime, emanating a golden aura. Still slain, he weeps for riches which could never be his.*

Maryami Rizvi

**DAZZLING PATTERNS**

*Often say they are not patterns. They're messages from a time when the world was younger and more beautiful. They're been carved into the exquisite garments of those living moments, for only they can bring about the eye down with their grace and style.*
