Pure Life   
*As you breathe, you breathe in the atmosphere  
of the world that surrounds you, but all that  
is within, all that is yours, all that is pure  
belongs to you alone.*

*The Uptown Girl*

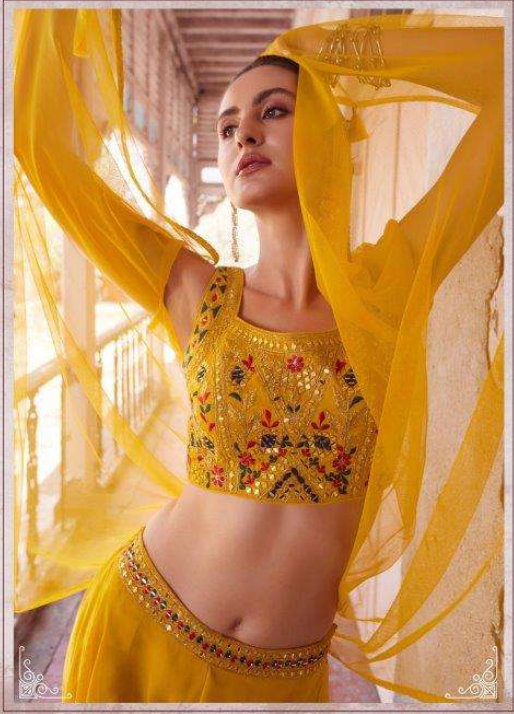

*With you in the city, where it's so easy to get lost, and where it's so easy to get found, I'll be the one who's always there for you. The world is full of beautiful things, but I'll be the one who's always there for you. The world is full of beautiful things, but I'll be the one who's always there for you.*
